

We love to create

Scorpius Broadcast Consoles for I.R.I.B.

After shipping the Scorpius, digital broadcast console to customers all over the world, D&R is proud to announce the sales and shipment of 28 Scorpius consoles and 4 Sirius modular digital broadcast consoles to;

Islamic Republic of Iran Broadcasting

D&R's distributor, RASA Co, represented by Mohammad Reza Roohi, started the negotiations before the IBC 2002 in Amsterdam and was informing D&R during this show on the order to come.

Finally beginning of November 2002 the order was officially confirmed and will be shipped the first week of February.

To support the I.R.I.B in an optimal way, the engineers of Rasa Co. have attended an extensive training course at the D&R premises in Weesp.

Preparing the shipment to Iran
